

Tuesday 10 th			
	Theme: Understanding who & why?	Theme: Better intelligence and decisions	Theme: Protecting ourselves
12:00 – 13:00	Lunch		
13:00 – 15:00	Approaches to engagement and desistence	Operational and Linguistic Information Processing	Protecting Organisations
15:00 – 15:30	Refreshments		
15:30 – 17:30	Institutions, Organisations and radicalisation	Rapport and Information gathering	User behaviour, vulnerabilities and risk
19:30 onwards	Conference Dinner		
Wednesday 11 th			
08:30 – 09:00	Refreshments		
09:00 – 11:00	Cybersecurity and actors (joint session)	Strategies and techniques for information gathering	Cybersecurity and actors (joint session)
11:00 – 11:30	Refreshments		
11:30 – 12:30	Lightning Talks: Understanding who and why	Lightning Talks: Better Intelligence Gathering and Decisions	
12:30 – 13:30	Lunch		
13:30 – 14:30	Panel: Inter and Intra-Organisational Dynamics and Violence	Panel: Eliciting Intelligence Information: Challenges and Opportunities	Panel: Translating Research into Practice & Policy
14:30 – 15:00	Refreshments		
15:00 – 17:00	Analysing Communication	Detecting deception	Encouraging and improving reporting behaviour
17:30 – 18:00	Refreshments		
18:00 – 19:00	Keynote: Ambiguous questions, sensitive topics, and messy data: How (nevertheless) government learns from research		
19:00 – 19:30	Drinks reception		
Thursday 12 th			
09:00 – 09:15	Refreshments		
09:15 – 10:15	Keynote: Remapping the 'human terrain' of security risks and protections: Preventing violent extremism at the crossroads		
10:15 – 10:30	Poster Prize Giving		
10:30 – 11:30	Posters session with refreshments		
11:30 – 13:30	Counter terrorism and risk (joint session)	Intelligence gathering and processing	Counter terrorism and risk (joint session)
13:30 – 14:30	Lunch & Conference Close		
14:00	Pre-booked shuttle bus to Lancaster Train Station		

Session Name: Approaches to Engagement and Desistence

Details: 13.00 – 15.00, Tuesday 10th July

Chair: Dr Christopher McDowell, City, University of London

Name	Institution	Title	Co-Authors
Lynsey Gozna	University of Nottingham	The roots and routes of revenge: Fuelling hate and exploiting vulnerability in complex, dynamic environments	Dr Shihning Chou, Dr Simon Duff, University of Nottingham.
Dr Joel Busher	Coventry University	The Internal brakes on violent escalation	Dr Donald Holbrook, Lancaster University; Dr Graham Macklin, Oslo University

[Back to conference timetable](#)

Session Name: Operational and Linguistic Information Processing

Details: 13.00 – 15.00, Tuesday 10th July

Chair: Dr Kirk Luther, Lancaster University

Name	Institution	Title	Co-Authors
Duncan Greaves	Coventry University	Information flow and trust formation in socio-technical systems	Dr Harjit Sekhon, Dr Alexis Garcia-Perez, Coventry University.
Mariam Nouh	University of Oxford	Understanding the Radical Mind Using Linguistic and Psychological properties	Dr Jason R. C. Nurse, University of Kent; Professor Michael Goldsmith, University of Oxford.
Dr Sara Waring	University of Liverpool	Inter-team information sharing during disaster response	Professor Laurence Alison, Grace Carter, Chloe Barrett-Pink, Lauren Swan, Dr Michael Humann, Tomas Zilinsky, University of Liverpool.

Session Name: Protecting Organisations

Details: 13.00 – 15.00, Tuesday 10th July

Chair: Professor Debi Ashenden, University of Portsmouth

Name	Institution	Title	Co-Authors
Professor Sophie van der Zee	Erasmus University	When knowing what's right does not lead to doing what's right: An examination of the predictive real-world validity of the Human Aspects of Information Security Questionnaire (HAIS-Q)	Dr Robert Bouwman, Vrije Universiteit Amsterdam; Carlijn Broekman, Dr Josine van de Ven, TNO
Alison Bell	King's College London	Responding to the Insider Threat in Critical National Infrastructure Organisations	
Emma Boakes	University of Portsmouth	Workplace Village: Using autonomous workgroups to improve security	Professor Debi Ashenden, University of Portsmouth
Dr Tommy Van Steen	University of Bath	Digital Security Culture Change: A Case Study	Professor Adam Joinson, Dr Kate Sugar, University of Bath

[Back to conference timetable](#)

Session Name: Institutions, Organisations and Radicalisation

Details: 15:30 – 17:30, Tuesday 10th July

Chair: Simon Copeland, Lancaster University

Name	Institution	Title	Co-Authors
Professor Gary LaFree	University of Maryland	Prison and Violent Political Extremism in the United States	
Dr Weeda Mehran	Georgia State University	Politicization of Mosques in Afghanistan: Mullahs, Spiritual Leaders or Antagonistic Preachers?	
Professor Neil Ferguson	Liverpool Hope University	Learning and Unlearning terrorism: The Paramilitary Life Cycle in Northern Ireland	Professor James McAuley, University of Huddersfield

[Back to conference timetable](#)

Session Name: Rapport and Information Gathering

Details: 15:30 – 17:30, Tuesday 10th July

Chair: Feni Kontogianni, University of Portsmouth

Name	Institution	Title	Co-Authors
Professor Fiona Gabbert	Goldsmiths, University of London	The benefits of rapport in information-gathering contexts: a systematic review of the literature	Dr Gordon Wright, Goldsmiths, University of London; Magdalene Ng, University of Huddersfield; Professor Lorraine Hope, University of Portsmouth; Dr Gavin Oxburgh, Newcastle University.
Dr Gordon Wright	Goldsmiths, University of London	Examining the effectiveness of a rapport-building training programme	Professor Fiona Gabbert, Goldsmiths, University of London; Dr Magdalene Ng, University of Huddersfield; Professor Lorraine Hope, University of Portsmouth; Dr Gavin Oxburgh, Newcastle University.
Lynn Weiher	Lancaster University	An investigation of rapport maintenance over multiple interviews – Does PEACE hold any advantage over Reid?	Dr Steven J. Watson, Newcastle University; Dr Kirk Luther, Professor Paul J. Taylor, Lancaster University.
Frances Surmon-Böhr	University of Liverpool	Examining the effects of four specific rapport-based skills in police interviews with terrorist suspects	Professor Laurence Alison, University of Liverpool.

[Back to conference timetable](#)

Session Name: User Behaviour, Vulnerabilities and Risk

Details: 15:30 – 17:30, Tuesday 10th July

Chair: Professor Adam Joinson, University of Bath

Name	Institution	Title	Co-Authors
Aikaterini Grimani	University of Dundee	Keeping Secrets Online: An evidence synthesis of strategies, enablers and barriers	Dr Anna Gavine, Professor Wendy Moncur, University of Dundee
Dr Nick Neave	Northumbria University	The potential cybersecurity risks of digital hoarding behaviours	Professor Pam Briggs, Dr Elizabeth Sillence, Dr Kerry McKellar, Northumbria University
Dr James Nicholson	Northumbria University	Cybersecurity Information Seeking by Older Users	Dr Lynne Coventry, Professor Pam Briggs, Northumbria University.
Professor Paul Thomas	University of Huddersfield	Young adults' dispositions and preferences around sharing concerns with authorities regarding violent extremism involvement: evidence from a UK study	Professor Michele Grossman, Deakin University; Dr Shamim Miah, Kris Christmann, University of Huddersfield

[Back to conference timetable](#)

Session Name: Cybersecurity and Actors

Details: 09:00 – 11:00, Wednesday 11th July

Chair: Dr Ben Lee, Lancaster University

Name	Institution	Title	Co-Authors
Helen Thackray	Bournemouth University	Talking to hackers: A social psychological approach to improving Cybersecurity	Dr John McAlaney, Dr Jacqui Taylor, Bournemouth University.
Dr Damien Van Puyvelde	University of Glasgow	Keeping Secrets: A Systematic Survey on the Causes of Professional Discretion	Liam McVay, University of Glasgow; Dr Daniel Jones, University of Texas at El Paso; Melissa de Roos, University of Texas at El Paso; Steven Mueller, University of Texas at El Paso.
Raluca A. Briazu	University of Warwick	The psychology of 419 scams – a qualitative study of sustained conversations between one victim and multiple scammers	Matthew J. Edwards, University of Bristol; Professor Monica T. Whitty, University of Warwick and University of Melbourne.
Diyana Dobрева	Cardiff University	Digital Influencing After Terrorism: Spoofing, ‘Truthing’ and Social Proofing	Dr Helen Innes, Professor Martin Innes, Cardiff University.

[Back to conference timetable](#)

Session Name: Strategies and Techniques for Information Gathering

Details: 09:00 – 11:00, Wednesday 11th July

Chair: Dr Simon Oleszkiewicz, University of Twente

Name	Institution	Title	Co-Authors
Feni Kontogianni	University of Portsmouth	“Tell me more about this...”: Seeking for the truth with follow-up questions	Professor Lorraine Hope, University of Portsmouth; Professor Paul J. Taylor, Lancaster University; Professor Aldert Vrij, University of Portsmouth; Professor Fiona Gabbert, Goldsmiths, University of London.
Dr Simon Oleszkiewicz	University of Twente	Presenting evidence and information during interviews: Synthesizing the science into intuitive “within-the-box” thinking	
Rebecca Wheeler	Birmingham City University	The Effectiveness of Social Influence Techniques in Eliciting Information from Reluctant Witnesses	Professor Fiona Gabbert, Dr Gordon Wright, Goldsmiths, University of London.
Professor Lorraine Hope	University of Portsmouth	Eliciting information in cross-cultural contexts: What are the challenges for building trust and rapport?	Nadine Hawkins de Namor, University of Portsmouth; Professor Fiona Gabbert, Dr Nelli Ferenczi, Goldsmiths, University of London; Dr Gavin Oxburgh, Newcastle University; Dr Olivia Rutazibwa, University of Portsmouth.

Lightning Talks: Better Intelligence Gathering and Decisions

Details: 11:30 – 12:30, Wednesday 11th July

Chair: Professor Lorraine Hope, University of Portsmouth

Name	Institution	Title	Co-Authors
Emma Hewlett	Lancaster University	Security in a Smart World: Exploring why individuals fail to secure smart devices	
Ana Levordashka	University of Bath	Phishtray: A modifiable, open-source email-sorting task for research and training applications related to social engineering	Professor Adam Joinson, University of Bath; Dr Emma Williams, University of Bristol
Dr Lara Warmelink	Lancaster University	How do participants in deception studies decide what to lie about?	
Dr Haneen Deeb	Universtiy of Portsmouth	When Do Suspects Lie? An Examination of the Order of Truths and Lies in Intelligence-Gathering Interviews	Professor Aldert Vrij, University of Portsmouth; Dr Sharon Leal, University of Portsmouth; Colonel Steven M. Kleinman, USA, Ret; Brianna Verigin, University of Maastricht.
Dr Ailsa Millen	University of Stirling	Detecting concealed face recognition: A synthesis of current findings and suggestions for future research	
Dr Kirk Luther	Lancaster University	Nudging Eyewitnesses: The Effect of Social Influence Tactics on Recall Performance	Zak Keeping, Canadian Government; Professor Brent Snook, Memorial University of Newfoundland.

[Back to conference timetable](#)

Panel Discussions: Inter and Intra-Organisational Dynamics and Violence

Details: 13:30 – 14:30, Wednesday 11th July

Chair: Dr Sarah Marsden, Lancaster University

Panel Members: Dr Joel Busher, Coventry University
Dr Paul Gill, University College London
Professor Gary LaFree, University of Maryland

Panel Discussions: Eliciting Intelligence Information: Challenges and Opportunities

Details: 13:30 – 14:30, Wednesday 11th July

Chair: Professor Emma Barrett, University of Manchester

Panel Members: Professor Lorraine Hope, University of Portsmouth
Colonel Steven M. Kleinman, USA, Ret.
Professor Chris Meissner, Iowa State University
Simon Wells, CREST

Panel Discussions: Translating Research into Practice & Policy

Details: 13:30 – 14:30, Wednesday 11th July

Chair: Professor Adam Joinson, University of Bath

Panel Members: Professor Debi Ashenden, University of Portsmouth
Dr Susan Brandon, SyncScience LLP
Nick Coleman, IBM
Elsine Van Os, Signpost Six

[Back to conference timetable](#)

Session Name: Analysing Communication

Details: 15:00 – 17:00, Wednesday 11th July

Chair: Professor Kim Knott, Lancaster University

Name	Institution	Title	Co-Authors
Dr Colin Roberts	Cardiff University	Using Image Analytics to Study Foreign Influence Measures and Conflict Dynamics in the 2017 Terror Attacks	Andrew Dawson, Cardiff University.
Dr Ben Lee	Lancaster University	Reciprocal radicalisation in the extreme digital milieu: Evidence from extreme-right web spaces	Dr Anthony Richards, University of East London; Dr John Morrison, University of East London; Professor Kofi Oteng Kufuor, University of East London.
Professor Tahir Abbas	London School of Economics	Young, British and Muslim in an Age of Uncertainty	

[Back to conference timetable](#)

Session Name: Detecting Deceptions

Details: 15:00 – 17:00, Wednesday 11th July

Chair: Dr Zarah Vernham, University of Portsmouth

Name	Institution	Title	Co-Authors
Christina Winters	Lancaster University	Safe Space: Examining the Effect of Interview Location on Self-Disclosure	Professor Paul J. Taylor, Dr Kirk Luther, Lancaster University.
Louise Jupe	University of Portsmouth	The reversed question protocol (RQP); self-generated reflexive questions as an aid to the detection of identity deception	Professor Aldert Vrij, Dr Sharon Leal, University of Portsmouth; Professor Galit Nahari, Bar-Ilan University.
Charlotte Hudson	University of Portsmouth	The SAI and Subsequent Recall: Examining Written & Verbal Cues to Deception	Professor Aldert Vrij, Dr Lucy Akehurst, Professor Lorraine Hope, University of Portsmouth.
Dr Zarah Vernham	University of Portsmouth	Cross-cultural verbal deception	Dr Sharon Leal, Professor Aldert Vrij, Gary Dalton, Louise Jupe, Adam Harvey, University of Portsmouth; Professor Galit Nahari, Bar Ilan University.

[Back to conference timetable](#)

Session Name: Encouraging and Improving Reporting Behaviour

Details: 15:00 – 17:00, Wednesday 11th July

Chair: Jo Hinds, University of Bath

Name	Institution	Title	Co-Authors
Neda Richards	University of Leeds	Preventative counterterrorism policing: Impact of community engagement on public cooperation	
Wendy Schreurs	University of Twente	Citizens' reporting and intervening behaviour: how do communities protect themselves from crime?	Dr Peter W. de Vries, University of Twente; Professor Dr José H. Kerstholt, TNO & University of Twente; Professor Dr Ellen Giebels, University of Twente
Dr Julia Pearce	King's College London	Encouraging public reporting of suspicious behaviour on rail networks	Dr Lasse Lindekilde, Dr David Parker, Aarhus University; Dr Noemie Bouhana, University College London; Professor Brooke Rogers, King's College London
Professor Michele Grossman	Deakin University	The confidence game: Comparing UK and Australian practitioner perspectives on PVE community reporting thresholds and processes	Professor Paul Thomas, Dr Shamim Miah, Kris Christmann, University of Huddersfield
