

#BASS22

(Behavioural and Social Sciences in Security, 2022)

Bursary application

Name

Institution

Email address

I am:

A CREST funded PhD Student in receipt of a full CREST studentship and maintenance stipend

A CREST associate PhD Student and I am not funded by CREST but one or more of my supervisors is funded through CREST

A Postgraduate Student with no relationship with CREST (please provide details of your current studies)

An unemployed or hourly-paid researcher

Please provide any further details relating to the above category you feel relevant:

Paper/conference title:

Are you in receipt of any grants/funding? If so, describe them:

Outline the anticipated costs you will incur in relation to this conference you would be seeking to reclaim, such as travel costs or accommodation, etc.

Personal statement:

The personal statement should be no more than 250 words and include your interest in behavioural and social scientific research in security and how participation in BASS22 will strengthen your professional interest and development.

Applications, accompanied by your letter of support, should be received by 1700 (UK time) Monday 16 May.
Queries regarding the bursaries and applications should be addressed to
Vanessa Riegl-Parr, CREST Centre Manager, CREST@lancaster.ac.uk
